RESTORATION DONATION APPEAL

Dear Devotee and all Sanatani Community Member,

Hare Krishna!

For over 156 years, the sacred walls of Sri Thakur Rajgopal Ji Maharaj Virajman Mandir, dedicated to Rajgopalji Maharaj (a form of Vishnu) and Ammaji (a form of Radharani), have stood as a beacon of faith and a unique architectural marvel in Block Madanpur, tehsil Sirsaganj, district Firozabad, Uttar Pradesh. It is one of the largest and most significant temples in the entire Firozabad District, harmonizing both North and South Indian architectural styles.

Today, this revered heritage temple, a testament to generations of devotion, is in urgent need of restoration. The passage of time and natural elements have taken their toll on the ancient structure, threatening the safety and sanctity of our beloved place of worship.

We need your support to protect this vital piece of our shared spiritual and cultural heritage!

Our restoration project aims to carefully preserve the original glory of the mandir while ensuring its structural integrity for future generations. The estimated cost for this vital restoration work is **2 crores**, and we rely on the collective generosity of devotees like you to make this vision a reality.

Restoration and renovation of Mandir will be carried out in phases. As the first phase funds are required for the following,

How Your Donation Makes a Tangible Impact:

- Could contribute to the preservation and renovation of the sacred inner sanctum (Grabhvira).
- Could contribute for the construction and renovation of circumambulation (Parikrama).
- Could fund for the restoration and renovation of the various sections of inner mandir parisar with the unique existing architectural facade.
- Could help to secure and construct essential materials for structural reinforcement of Chattri and renovation of main dwar of temple.

We invite you to be a hero in this story of preservation. Your contribution, no matter the size, will directly help ensure that the divine legacy of Sri Thakur Rajgopal Ji Maharaj and Ammaji continues to inspire for another century and a half.
